

Msgr. Robert Feehan Faithful Servant Award

As a Stewardship Parish St. Mary's attempts to form the parish and her parishioners in the Stewardship Way of Life. We challenge ourselves in many ways to live daily lives responding to God's abundant blessings with a life focused on hospitality, prayer, formation, and service.

One of the most effective ways to learn and grow in discipleship is to focus on good models of faith who demonstrate with their daily lives how they encounter God and respond with generosity. As Catholics we have the tradition of the Communion of Saints who lived their lives as Christ's disciples in their own age. We also recognize that there are good models of the Stewardship way of life living in our own time and in our own parish.

In light of Msgr. Robert Feehan's long service to St. Mary's and the Bismarck community as pastor (1933-81), St. Mary's Parish Pastoral Council institutes the *Msgr.
